

Dear Temple Student:

Save money and the environment by taking public transportation this upcoming semester!

Temple University participates in the University Key card program, which provides a discount for SEPTA transit. This joint program between Temple and SEPTA is a semester-based transit pass program available to all full-time registered students.

The attached application form and instructions contains more detailed information and pricing. **Please note that SEPTA made a change with the program; you will be using a Key Card rather than picking up a pass from the Bursar's Office.**

We will only accept mailed payments for the Fall 2022 University Key card program.

Please allow 7 to 10 business days for payment receipt and processing. Your payment will NOT be visible on your SEPTA account until August 22, 2022. Mailing your payment does not guarantee you a pass since sales are on a first come, first-serve basis.

Once your mailed payment is received, you will receive additional information about using your Key Card.

If you have any questions, please reply to this e-mail.

Thank you,
Office of the Bursar
